

TAFT TIDINGS

Resident Appreciation Week

Welcome Back!

The Taft would like to welcome back all of our Yale students who are returning from spring break. We hope you took some time off to kick back, relax, and have some fun in the process. We've been busy while you were away. New carpets were installed on the 3rd, 10th, & 11th floors and we added two flat screen TV's to our Rec. Center. Good luck during finals as the semester is coming to an end. It will be here before you know it. **STUDY HARD!!!!!!**

For the week of April 25 - April 29 we are recognizing all of our wonderful residents and everything they bring to The Taft culture and community. We appreciate all of our residents and want to thank every single one of you for staying with us throughout the years! We will have reduced laundry costs in the rec. center during this week and expect plenty of surprises in the grand lobby.

The Taft's 100th Birthday Celebration

The Taft is fast approaching our 100th birthday on January 1, 2012. We plan on having a year long birthday celebration extravaganza! And yes, we will be having a birthday cake for The Taft. We would love to hear your ideas on how to celebrate - send us an e-mail or come see us in the office.

Maintenance Corner

The Taft would like to congratulate Hannah Kleinfeld and Joel (of our maintenance team) for winning the rate-your-maintenance drawing for March. Keep those rate-your-maintenance cards coming.....

Artistic Contest

Do you have unique artistic abilities, are looking to compete, and make some extra cash? The Taft will be holding a design contest where participants will have the opportunity to submit their very own design and actually have the chance to bring their design to life. The area/canvas will be the

music practice/meeting room walls located in The Taft Rec. Center. We are looking for a realistic application incorporating music, art, business, and professionalism. The winner must execute the project, but supplies and materials will be provided. This is a great opportunity for art students to add to their
