Music on The Green

JULY 21, 2012

6:00pm Opening Act: **Seth Adam**

7:30pm Headliner: **Mayer Hawthorne**

The "retro soul" tag is added to almost any contemporary work that sounds like it was originally recorded before 1980, and Mayer Hawthorne is aware of how trends come and go. Hawthorne is not interested in taking it back to the "good old days," as much as he is in creating the "new good days" and he proves that he is not part of a trend. The classic Motown sound that provided the blueprint for his self-produced independent debut, *A Strange Arrangement*, remains, but is joined on his latest release, *How Do You Do*, by music reminiscent of late 1960s California pop and the best work from the likes of Steely Dan and Chicago.

JULY 28, 2012

6:00pm Opening Act: **Tucker**

7:30pm Headliner: **Shontelle**

Singer/songwriter Shontelle is the latest successful recording artist out of the exploding music scene of Barbados. Like Rihanna before her, Shontelle's unique songwriting skills may ultimately end up making her the biggest success story from the West Indian nation. Her hit singles include "T-Shirt," "Perfect Nightmare" and "Impossible." Shontelle has toured as a supporting act for the U.K. leg of New Kids on the Block and opening act for a portion of Beyoncé's *I Am... Tour*.

Both shows are FREE and you can find more information online at infonewhaven.com
