September is National Yoga Month!

National Yoga Month is a national observance and awareness campaign held during the month of September to educate about the health benefits of yoga and to inspire a healthy lifestyle. The awareness campaign consists of yoga classes, concerts and other special events during September to celebrate National Yoga Month and inspire people to practice yoga and to create a more balanced lifestyle. In 2008, the Department of Health and Human Services designated September as National Yoga Month, one of a select number of national health observances. That same year, thousands of yoga and health enthusiasts participated in a 10 City Yoga Health Festival Tour featuring yoga classes, lectures, music, entertainment, exhibits. Since then, the initiative has taken root as a global awareness campaign, educating, inspiring and motivating people to achieve a healthy lifestyle.

Below are some Yoga Studios in the New Haven area. Research them all and find which would be the best for you! Beginner classes available at all studios!
