RATE YOUR MAINTENANCE:

- **WINNER:** This month's Rate-Your-Maintenance winner is Allison Berken. She will receive a \$25 gift certificate to her choice of the Taft retail vendors.
- **Rate-Your-Maintenance:** Please keep an eye out for our new way of distributing your Rate-Your-Maintenance Cards. When you submit a Service Request the Office will input it and give it to the Maintenance Team. The Maintenance Team will do the necessary work, and leave copy of the completed service request. A Rate-Your-Maintenance Card will be delivered from the Office after completion. Please remember to fill out and return the form to the Office for your chance to win a \$25 gift certificate to your Taft retail vendor (including Mac Gray) of your choice.
- **Summer Cool Down:** It is about that time of year where A/C units will start to be installed. The Taft Staff bases the installation of A/C units on the weather. We are monitoring the temperatures very closely. Please keep a look out for further information and a tentative schedule of when you can expect to have Maintenance installing them. Reminder: The area in front of where the A/C is to be installed needs to be completely clear in order for the Maintenance Team to work.
- **Storage Specials:** DO NOT MISS OUT! Do you or someone you know need storage for the summer months? We have just the thing you are looking for! The Taft Mini Storage is offering buy 2 get 1/5 free on storage units for the summer months. Do not need long term? If you are a new customer with a Yale ID, you will get 10% off your bin. Contact Jessica in the Management Office for further details and to set up an appointment to secure yourself a bin today! * All payments are required upfront for summer storage.

All month please feel free to drop off donations for the troops. At the beginning of next month any donations of non-perishable foods, toiletries, games, etc will be packed up and sent to the troops overseas. If you know anyone in a

particular military unit to which you would like to see donations made please contact the Office. Please feel free to write to our troops as well, as many do not have families or cannot stay in regular contact with them and it is always nice to have some words of encouragement.

CELEBRATING MOMS ALL OVER THE WORLD

If Mom Were President

If Mom Were President
She'd set things straight
She would battle for causes just
She'd teach the whole country how to share
She'd restore the public's trust

She would give every enemy a time-out in the corner
Until they saw how they'd been at fault
She'd balance the budget with change left to spare
For an ice cream cone or a malt

And Congress she would make write 100 times
"I shall not take money and lie."
Then send them to bed without any supper
Perhaps a cookie or two when they cry

And all hungry children she would feed
peanut butter and milk cuz she knows what kids need
She would easily win two terms in a row
And then be elected as king

And she would kiss little babies not for camera
But because that's what babies are for
Her cabinet would be a place to store snacks
And gifts she had picked up at the store

And nations at war she'd not tolerate
Because the pain and the damage they bring
She'd disarm the foes
Trade a knife for a rose
Saying "you'll poke an eye out with that thing."

Yes, If Mom were President I do believe
There would be lots of changes we'd see
Our national treasure would be our children
Hugs and kisses our GNP.
